HEADWATERS TOMME

**Kokoborego Farm
Mt. Gilead, Ohio**

“Headwaters Tomme is our flagship cow milk cheese and is aged from 3-6 months. It is made with milk from our good friends down the road at Ruhl Family Farm. Their milk gives the headwaters a rich and buttery foundation with just the right amount of sharpness. The distinctive "river" of ash makes this cheese a popular party guest.”

- Raw Cow's Milk
- Grassfed, Sharp
- 3-6 Months Aged
- 7 Pound Wheel
