OWL CREEK TOMME

**Kokoborego Farm
Mt. Gilead, Ohio**

“Owl Creek Tomme is our ACS Award Winning Farmstead sheep milk cheese. It is produced seasonally and is aged between 3-10 months depending on the time of the year. It's a bit nutty, sweet, floral and salty; always in a perfect balance that evolves with the seasons. This is a cheese you will want to follow all year long.”

- Raw Sheep's Milk
- Natural Rind Tomme
- 3-10 Months Aged
- 7 Pound Wheel
